# Sale Day Information

## Sale Day Contacts

Tyson Hertz 403-376-7284  
Corinne Gibson 306-640-7970  
Callie Hertz 306-640-9275  
Clayton Gibson 306-642-8013

## Online Bidding

DLMS.CA  
Mark Shologan 780-699-5082

## Pregnancy Guarantees

2 Embryo Packages  
Guarantee of one 90-day pregnancy  
3 Embryo Packages  
Guarantee of one 90-day pregnancy  
5 Embryo Packages  
Guarantee of two 90-day pregnancies.

## Terms of Pregnancy Guarantee

All pregnancy guarantees are only valid if implanted within one year of purchase date by a licensed veterinarian accredited in embryo transfer.

## FOB From Listed Location

Once embryos and semen are paid for in full Six Mile will release them to the successful buyer. Please note the storage locations for embryos and semen before purchasing to ensure it is in your country and/or exportable to your country.

## SHIPPING TO USA:

Six Mile will ship qualified embryos and semen to the USA (that is not already stored in the USA) for the following additional fees that will be applied to your invoice:

\$20 CAN per embryo  
\$10 CAN per unit of semen

## Sale Information:

Please check closely on all lots for the country qualifications.

All lots will sell in Canadian Funds. The US Dollar is at a large premium in Canada and an exchange rate will be posted.

# How to Bid

1. Visit [dlms.ca](http://dlms.ca) and follow the link to the DLMS Farm Gate timed auction site [www.farmgate-timedauctions.ca](http://www.farmgate-timedauctions.ca), click the LOGIN/REGISTRATION button. First time users will select the REGISTER button from this page. Fill out the registration form to sign up for a free user account and it allows you to select a username and password for use on all Farm Gate Timed auctions. This program will send you text and email messages whenever there is activity on your favorite lots, or someone challenges your proxy bid and this is why you will be asked for both your current email and cellphone number. If you are a past participant in the Farm Gate Timed auctions simply enter your username and password to continue. This takes you to a list of both current and upcoming Farm Gate Auctions.

2. You can choose your favourite lots in this sale at this time and the program will allow you to open either all sale lots or just your favorite lots on your screen. Any time there is active bidding on a lot you have identified on your favorite list you will get a text and/or an email noting this activity

3. The program allows you to place a proxy bid on any sale lot. This in fact protects your interest in any lot of interest for you to a specified dollar value you set, when you may not be able to give 100% attention to the sale. If the lot has a \$2000 bid on it and you place a proxy bid of \$3500 into the system, the computer will bid \$2100 for you but if some one else bids \$2200, the computer will again bid for you, this time at \$2300. The system will look after your interest to a maximum of \$3500. If another bidder is on at \$3600, your proxy will no longer be effective, and you will no longer have the winning bid on this lot without once again logging in and bidding again or moving your attention to a second lot of interest.

4. At closing time of the sale the entire sale will extend bidding if a bid is placed on any lot in the sale. Any bid received after close time will extend the sale by the time listed on each sale. In Most cases the time gets shorter the longer in to extended bidding the sale is. When no bidding occurs for the extended time, the computer will declare the sale finished.

5. Following the sale the Owner or Sale Manager will invoice all buyers in the sale, please contact the seller with questions or to arrange delivery, pick up or shipping of your purchases. For more info and assistance with bidding contact any of the sale contacts listed on the DLMS Website;  
DLMS Farm Gate Timed Auctions ~ Mark Shologan Ph: 780-699-5082

WOW! What an opportunity! These embryos are truly some of the most impressive we have ever created at Six Mile. You truly can not go wrong with Taffeta 142B. Flawless in her structure, elite in her foot quality and gorgeous in her design from the side. John Wick is a sire who is extremely versatile- calving ease qualities, exceptional growth, eye appeal and presence - John Wick does not go out of style. With his semen off the market these embryos are your chance to get in on Wick! We have two full sibling daughters to LOT 1 A in our herd and they are productive, front pasture females. SSS Granite 74H is highly exclusive and continually produces flashy, cherry red bulls that catch your eye and females that flat out produce. **Offered With: Sunberry Valley.**

Marta 928E is one of the most productive females on the ranch. No matter the mating she produces calves that are stout, powerful and attractive. Sons and daughters alike have topped sales with the most recent being a daughter in our Genetic Focus sale selling to Walsh Farms for \$35,000. Look for a son of Marta 928E to highlight our 51st Annual Bull Sale in 2026! Lincoln daughters are gorgeous in their type and design with calving ease qualities. The first Confidence calves on the ground are impressive - attractive, dark red, proud and sound. Beretta is setting the Red Angus world on fire and we are excited to offer his embryos in this sale!

**Lot A, B, D: CAN and USA Qualified Lot C: CAN, USA and AUS Qualified**

Dixie 546C has landed multiple herd sires into purebred and commercial programs across Canada, with most notable being Augusta 519K to Sandridge (OK) and Reckon 137E to Richmond Ranch (AB). Her John Wick daughter (making her a full sib to Lot 3A embryos) last year was a Genetic Focus Sale Feature going to KT Ranches (BC) for \$35,000. All four of these mating options have endless potential. The John Wick mating is proven and his semen is no longer on the open market. Rockwell was the high selling bull from our 2025 Bull Sale and these are the first and only embryos being offered in the spring of 2026 off this exciting new sire. Confidence is a bull we are extremely excited about, his first calf crop are highlights. Beretta is setting the Red Angus world on fire and we are excited to offer his embryos in this sale!

**Stored at Bow Valley Genetics- Rosemary, AB  
CAN & USA Qualified**

This mating unites two rising stars in the Six Mile program. Alana 189H was selected to carry on the legacy of her elite dam, Alana 13X. The sire, Rolex 571K, was a high-selling bull in our 2024 sale to V8U Ranch, AB. We are extremely excited about this long-bodied, dark red and structurally sound sire. This mating is proven as a full sibling shines in our replacement heifer pen.

**Stored at Bow Valley Genetics- Rosemary, AB  
CAN & USA Qualified**

Another mating of Alana x Rolex 571K making them very similar to the lot 4 embryos. The donor dam Alana 50E was Designated Elite by the Canadian Angus Association in 2023 with an incredible wean ratio of 110. This female knows how to get it done!! If you are looking for embryos off a work horse and productive cow- grab onto these!!

## Package of 3 or 5 Embryos All Embryos are Stored at Bow Valley Genetics- Rosemary, AB CAN and USA Qualified

A mating here that is tried and tested to work. We had 4 full siblings to these embryos. Two full sib females sold through our Genetic Focus female sale and two sons will be favorites come April 4th for our 51st Bull Sale. Lark 225E is affectionately known as "Fat Lark" by our kids as she is big barreled, easy keeping (hence the name) and fertile as a barn cat. Long Haul progeny have been popular with their dark red color, added length of body and power.

*DAM:* Red Blairs Elora 40X  
 Red JCC Elora 71P

**Stored at Alta Genetics, Rocky View County, AB or Hawkeye, IA**

**CAN, USA & AUS Qualified**

Barry is a cowboy kind of bull. His sons are stout, big barreled, solid made beef cattle. He leaves a near perfect foot and beautiful udder on his progeny. Barry has left his mark on our herd with the many daughters we have retained.

Daughter : Ruby 233E

*SELLING*

Lot 27A: 10 Units of Barry 040C  
 Lot 27B: 10 Units of Barry 040C

## 28 Red Weber Reform 618 (2000959)

Red Bieber Roosevelt W384  
*SIRE:* Red Bieber Rollin Deep Y118  
 Red Bieber Tilly 399W

Red BJB 602S  
*DAM:* Red BJB Lana's Equal 8021U  
 Red SBCC Equal Land

**Stored at Alta Genetics, Rocky View County, AB or Hawkeye, IA**

**CAN and USA Qualified**

Dark red, stout and packed with performance. Reform was a standout as a yearling and developed into a solid breeding bull. He possessed as nice of an Angus head as any Red Angus sire in recent memory. His daughters are proving to be productive highly productive females.

Son : Form Fit 260F

*SELLING*

Lot 28A: 10 Units of Reform 618  
 Lot 28B: 10 Units of Reform 618

SELLING

Lot 29A: 5 Units of Smash 41N
